From the Pastor

Our community needs us to show up as a hopeful people, loving people, and to be Good News people. For us as people that want to follow Jesus, the rise of the COVID-19 D variant has re-focused us back on the fact that we are not meant to serve ourselves but the Lord. We are called to love God and love our neighbor as we love ourselves. Maybe that seems simplistic, but it is the answer Jesus gave when asked what is the heart of the gospel, and it is the strength which holds us together. Maybe, the rise of the D variant of COVID-19 can offer a challenging possibility to change ourselves, our church, our community and our world with the gospel of Jesus Christ.

With the current variant-D crisis, we've lost our emerging sense of safety and security. We are still separated from others and we are struggling. But we are also smart, creative, courageous, and we are in it together. One of the hardest things is acknowledging that we, as a church, must move into the future together, and that whatever comes next will be different, but it will still be ours and Christ's church today, tomorrow and forever.

Christ's Peace,
Pastor Sean

FPC Homecoming September 26th

Join us as we celebrate the 73rd Anniversary of Ministry to the Florissant area and the 23rd year of Learning Center ministry to the North County region. Worship with us at 10:15 a.m. and join us as we welcome One Dish Wonders Food Truck from 11:30 a.m. to 2 p.m. One Dish Wonders is a full-service catering business that started in 2015 in Florissant, Mo and added a food truck in 2020.

In this time of COVID challenge, this is a great opportunity for FPC to give back to businesses in the community. The menu and prices are below for this great event. As the event continues to evolve in planning further details, more information will be shared as we get closer to the event. Let's come together and celebrate the past, the present, and the future as we commemorate this wonderful event.
